EXPRESS SERIES CABINETS

The Express Series is designed to be a commodity cabinet line. This entry level series of our cabinets may have slight imperfections that will be visible. This is an acceptable characteristic of this economical line and will not be a reason for replacement.

PAINTED FINISH

Congratulation on your selection of Marquis Cabinets for your home! This finish is quite different from our standard stain finish. Your satisfaction is important to us and we want you to be fully informed about the characteristics of our painted finish.

On wood products, movement is typical due to changes in the climate conditions. This may cause hairline cracks at the stiles, rails and joints that you will see. Panel shrinkage may also occur in the door panel of your cabinetry. Over time there may be a slight color change in this finish due to exposure to natural and artificial light. These items listed above are natural occurrences in the wood and will not be considered a defect or reason for replacement by Marquis Cabinets.

MIXING CABINET SERIES

CLASSIC/IMPERIAL CABINETS SHOULD NOT BE MIXED WITH EXPRESS/COLONIAL CABINETS IN ANY SINGLE ROOM DESIGN PLAN. THIS WILL VOID ANY WARRANTY ON COLOR ISSUES.

I have read the above information and I acknowledge that Marquis Cabinets will not be responsible for any of the preceding reasons.
