# Wood Species

Experience the natural beauty of wood in every detail with our meticulous approach to craftsmanship. At Marquis Cabinets, we select only the finest solid wood and wood veneers to showcase the rich grains and unique characteristics of each species in our doors.

To preserve and enhance this natural beauty, we employ a multi-step finishing process that includes hand sanding, precise application techniques, and curing in baking ovens. This attention to detail ensures that your cabinets not only look stunning but also stand the test of time, adding warmth and elegance to your home for years to come.

## PAINTS

Experience the smoothness and durability of our tinted conversion varnish paints, making them an exceptional option for kitchens or as standout accent pieces in any space.

## ANTIQUÉ STAIN

Our antique stain combines paint and stain to impart a weathered, rustic appearance to your woodwork, adding timeless charm to your project.

## HIGHLIGHTS (FOR PAINTS ONLY)

Highlights are achieved by using a flow pen instrument to delicately apply color to the intricate details of profiled areas on painted cabinets, adding depth and character to your cabinetry.

## ACCENT & PENCIL GLAZE

Our accent glaze, meticulously hand-applied, imbues each door with its own unique personality.

To achieve pencil glaze, we utilize a precise flow pen instrument to delicately apply glaze to the intricate details in profiled areas, enhancing the beauty and depth of your surfaces.
